

The Covenant Carriage

You do not have to publish with Covenant Signature Publishing in order to showcase your book in our bookstore. To do so, however, you will need a 4 or 5 star review from at least one of the reviewers in the Reviewers Alliance.

If you are an author who is backed by a full-service publisher, you will need a review from the Full-Service Reviewer Alliance which can be found on the main site under Book Reviewers.

If you are a self-published or independent author, you will need a review from the Independent Reviewer Alliance which can be found on the main site under Book Reviewers.

The Covenant Carriage Bookstore is supervised by our marketing department, and CSP Marketing will not accept any book that has not received a favorable review from the Alliance Reviewers. We are a prestigious publishing company and do not sell just anything in our bookstore.

Make sure that your book complies with all submission guidelines. These guidelines are listed on our site under “Christian Publisher”.

We will not pre-purchase books from you. You will be paid each time you make a sale. Your book’s cover will be posted with your review rating along a small “blog” regarding your book. You will be notified immediately upon the sale of your book and provided with the name and address of the buyer (plus the receipt of sale for your records).. It is your responsibility to keep a record of all receipts of sale and to properly package and mail your book to the buyer which should be no later than 48 hours after notification from us.

CSP retains 45% of each sale so mark your book’s price accordingly. If your price changes, you must let us know immediately of any changes with regard to the sale price of your book. We allow for three changes within a six-month period.

Looking for exceptional exposure? CSP is allowing authors to feature their book, individually, in the CSP bookstore with full cover, multiple reviews, synopsis and other, including purchasing options and link to author’s website. Not many bookstores offer such “goodies” to their authors. But CSP enjoys

helping authors pool the attention their book deserves.
